

National Coalition of Ethnic Minority Nurse Associations, Inc.

Dear Potential Sponsor,

I hope this message finds you well. I'm reaching out on behalf of the National Coalition of Ethnic Minority Nurse Associations (NCEMNA) to invite your organization to become a valued sponsor of our 2026 Annual Health Policy Summit: "Uniting for National Well-being: The Voice and Vision of Healthcare for the Future."

This pivotal event brings together leaders, policymakers, and healthcare professionals to advance equity and justice in nursing and healthcare. NCEMNA represents five national ethnic minority nurse associations, united in our mission to address the health needs of diverse communities across the country.

Your support will help us amplify the voices of underrepresented communities and shape a more inclusive, culturally responsive healthcare future. If sponsorship isn't feasible at this time, we'd be grateful if you could help spread awareness of the Summit within your network.
